AMENDMENT "B"

In response to the Final Rejection dated June 21, 2006, in which an RCE is being filed herewith, together with a one month extension of time, extending the deadline for response to October 21, 2006. Please amend said application as set forth on the attached pages.

Claim 21 has been amended to specifically point out that the jig of the present invention is used for simultaneously cutting a route in each of a pair of stacked parallel workpieces that are secured in the jig.

Claims 22-27 and 31-40 have been amended so that the language thereof corresponds with that of amended claim 21.

Claims 28-30 have been cancelled without bias or prejudice.
